

CALLY GARDENS

Welcome to our plant list. Sorry at this time it is only that, a list.

Please regard this as a guide to our current stock for collection at the nursery, shows and talks. It is not yet a mail order list, that will

be available with descriptions in January. Prices on application.

Visitors to the nursery should be aware that stock can sell out so

please check with us before travelling by emailing us at

info@callygardens.co.uk or calling 07720 718671 between 10am and 5pm.
